

In 2022, we started The Vita Drip with a simple goal of bringing out your best self. From that day forward we have made it our mission to create innovative vitamin & mineral treatments, to help you achieve your body's full potential and perform in today's busy world.

Our team of AHPRA Registered Nurses specialise in world-class intravenous vitamin therapy in clinic or in the comfort of your own home, office or hotel.

Allow us to help you unlock your health and wellness desires with one of our premium vitamin infusion treatments today.

VitaNAD+ Infusion **\$700**

3 x \$500

NAD+ is a naturally occurring molecule which acts as the foundation to a healthy life. By supplementing NAD+ you can restore energy, mental clarity and function, repair damaged DNA and lessen the effects of ageing. Following our VitaNAD+ treatments, patients have noted an increase in cognition, lessened brain fog and elevated energy levels. NAD+ infusions have also been commonly used to help alleviate substance and addiction issues.

VitaBoosters

Our VitaBooster range has been tailor made to provide you with an even easier way to absorb high dose vitamins and minerals. Covering all aspects of your wellness, VitaBoosters are the best choice when living a demanding lifestyle.
